"no effort what so ever!" my wife (Kaishondra Sweed) have never made nor attempted to make a 3-way for me. Ferguson unit falsified state documents charging and found me guilty of making a 3-way when no call was ever placed or attempted. This was retaliation by Captain Howard towards me. my wife (Kaishondra Sweed) have tried in every way to show proof of documentation to confirm her statement that she have never made a 3-way call while I have been housed here at the Ferguson unit. my wife (Kaishondra Sweed) have sent me her cell phone bill from her cell phone provider that proves no 3-way call or conference call was placed. I ask that you please take my concerns seriously and with urgency. I pray that your office look into the disciplinary cases and practices on this unit because this unit is falsifying state documents. Please investigate and overturn all disciplinary cases and disciplinary measures issued to me by Ferguson unit staff, and observe the pattern of behaviors by the Ferguson unit because I continue to file complaints against the unit. State Representative James White
P.O. Box 2910
Austin, Texas 78768

Dear State Representative James White

My husband, Jerome Sweed; TDCJ#1836773, is located at the Ferguson Unit.

I am writing this letter to ask for help and to express my concerns of retaliation against and bogus writes up on my husband Jerome Sweed by the the Ferguson Unit.

My husband and I have gone through the proper channels within TDCJ and Ombudsman with no resolution, which is why I am asking for your assistance.

On June 4, 2019, Jerome was given a Code 20 a Sex Misconduct disciplinary case. The case number is 20190238588. Date of incident 6/1/2019 at 2:20am in I block, I row, cell 11, top bunk.

On June 7, 2019, my husband disciplinary hearing was held. Prior to the hearing, my husband was called to the office to complete a medical release for his wife to obtain medical information. Captain Howard, Captain Alvarado, and Captain McCarve was in the office, prior to Jerome walking in. Jerome overheard Captain Howard tell them that he, Jerome was doing too much on the phone because after he speak to his people, they keep calling the unit and Executive Director Bryan Collier's office, and writing the Ombudsman office reporting back everything that happens. Then Bryan Collier's office call them about not doing their job.

Jerome should be able to contact me to let me know what is going on. As his wife, I have every right to call to address the issue or my concerns. If there's no wrongdoing on their end why is there a issue that my husband calls me and I call to address it.

Captain Howard was also the supervising officer making the decision on my husband's Sexual Misconduct Code 20 disciplinary case. The hearing was recorded, Jerome's asked Officer Songer was he masturbating, or did she see him masturbating. Her response was no.

Per TDCJ Disciplinary Rules and Procedures, Code 20 is "Engaging in sexual acts with others, engaging in sexual acts such as masturbation, in such a way that others become aware the offender is doing so, in public, soliciting sexual acts from others, exposing an offender's anus or any part of the offender's genitals with intent to arouse or gratify the sexual desire of any person, or homosexual conduct involving physical contact, such as kissing."

Captain Howard then asked Officer Songer the question again, and her response again was no. Therefore, she wrote Jerome a case for something that she stated twice he was not doing. My question is why did he receive a case for masturbation when she stated Jerome was not masturbating and she did

not see him masturbating. This disciplinary case should have never been written and it should have been thrown out during the hearing; however, because Captain Howard stated my husband, "was doing too much on the phone calling his people." He wanted to make sure Jerome phone privileges was taken, so he then asked Officer Songer what was Jerome doing. She replied he was laying in bed. At which time, Officer Songer left the hearing. Captain Howard then changed the Code to 20.1 "Discourteous conduct of a sexual nature - Conduct of an offender, spoken or written words or actions, of a sexual nature toward any person, who is not an offender that a reasonable person would find offensive" then Captain Howard found him guilty on this charge.

My question is why? Why didn't they find him not guilty of what Officer Songer wrote him up on that she, herself stated Jerome was not doing. Second she stated Jerome was laying in bed. Whether he was awake or asleep, she NEVER said Jerome exposed himself to her, she never said Jerome show her his penis, she never stated Jerome purposely exposed or showed his penis to her, and she never stated Jerome disrespected her by calling Officer Songer to get her attention to expose himself to her. It was at 2:20am on June 1st, it is hot in the cells and in the prison unit and everyone knows this because TDCJ has been on the news for extreme temperatures in the prisons, so Jerome was not under covers. Who would cover themselves with covers during hot temperatures, no one, not even someone in the comfort of your own home would be under covers, so lets be realistic about the temperature situations in these prison units. Next it is human nature for men to wake up with an erected penis, any female and male knows this.

According to Healthline, "Morning erections – they are sometimes called 'morning wood' or 'nocturnal penile tumescence'. During sleep, men can get a few erections throughout the night and as they wake up. This is completely normal and quite common. Men of all ages can experience morning erections, although this can happen less as you become older or if you develop erectile dysfunction (ED).

An erection happens when there is an increase in blood flow into the penis. The blood fills specialized chambers called erectile tissue and this causes the penis to become erect."

So, my question is how can Jerome be penalized for something that is HUMAN NATURE. Second, again why did Officer Songer write Jerome for a case of masturbation when she stated he was not. Third, why did Captain Howard change the code and find him guilty when the initial code was 20. Jerome should have never been written up in the first place. If the comment is he should have been covered up, again I state who would cover up under extreme temperatures that could reach over 90 degrees. No one would be under covers during those type of temperatures not even in your own home. These are the temperature levels in the prison that the inmates have to endure every day.

The initial write up was for a Code 20 Sexual Misconduct. Therefore, I again state this was a bogus case from the beginning and it being changed to 20.1 Discourteous conduct of a sexual nature was some form of retaliation due to Captain Howard saying, my husband, Jerome Sweed was doing too much on the phone. This is why he instead of finding him not guilty, Captain Howard instead chose to change the code and find Jerome guilty. Then penalized him with:

- 30 days commissary restriction
- 30 days cell restriction
- 30 days recreation restriction
- 42 days extra duty
- 46 days phone restriction

As noted above they gave him 46 days phone restriction when Jerome stated they could have given 30 days. However, my concern is why was he found guilty? Why was he given a write up from the beginning when Officer Songer stated on recording that Jerome was not masturbating, he was laying in bed, but because they wanted to restrict him from speaking to me, he change it to a Code 20.1 which Officer never wrote Jerome up for, and she never stated he showed her his penis nor told her to look at his penis, or made any gesture towards his penis. This guilty sentence was retaliation for all the complaints and inquiries I have made against the Ferguson unit. Ferguson unit is writing bogus cases on inmates and someone should investigate this unit disciplinary practices.

This is also shown by them giving Jerome a second write up on June 6th, after I filed multiple complaints on the Ferguson unit on June 5th and June 6th with the Executive Director Bryan Colliers office in which, I was contacted on June 6th at 2:30p by Bryan Collier's office stating the Ferguson unit did not follow proper procedures to have my husband mental health assess, but had as of the time of her call. My husband contacted me at 2:37p and confirmed. Then at 5:37pm, Jerome called to stated he was wrote up again stating "he Jerome Sweed solicited, me Ka'Shondra Sweed to make a 3-way call and a 3-way call was completed by Ka'Shondra Sweed." This is not true, I never made a 3-way call. There's no recording where they will hear Jerome, myself, and a 3rd person engaging in a 3-way call.

I further want to state on record and for the record that any writes up, reprimand, disciplinary action, or major case or minor cases that my husband, Jerome Sweed should received from the Ferguson Unit, from any correctional officer, ranking official, or Warden Hutchinson, or Warden on the Ferguson Unit is retaliation, done out of malice, and are bogus writes up and cases. I Feel for my husband safety and well-being on the Ferguson unit. I DO NOT feel comfortable with any of those officials engaging with my husband on that unit, I DO feel my husband safety and well-being is at risk on the Ferguson unit. I feel that he is being harassed and being retaliated against, and being given bogus write ups, because I, Ka'Shondra Sweed filed multiple complaints against Warden Hutchinson and correctional officers on the Ferguson unit that resulted in Executive Director Bryan Collier contacting the unit to address my issues and concerns in which proper protocol was not followed.

My husband, Jerome Sweed was granted parole on 3/18/2019 and given an F1-6 and was set to begin his program for release anytime in June.

Therefore, I question the veracity all writes up given to my husband since he transferred to the Ferguson unit. Jerome has only been on this unit for less than 2 months, prior to being transferred to this unit at the end of April beginning of May. Jerome had no write ups and no disciplinary actions for over a year, because he was doing everything possible to be approved parole this year, please check his file. Then the moment Jerome is transferred to the Ferguson unit and I began to call in May to question things such as why he was transferred to Ferguson, why the Ferguson unit is making him enroll in programs when his stay there is temporary, why they have given him a job when his stay there is temporary and will be transferred to the unit needed to complete his program for release. Only after I began to make complaints and question if he was in these programs as a money catch to show Stakeholders that they have so many inmate on this unit in paid programs that is funded by the state. Once I began to complain about the Ferguson unit and their practices, Jerome stated to receive frivolous write up. This is concerning to me because, Jerome has been case free for over a year up to the point that he was transferred to the Ferguson unit and I, Ka'Shondra Sweed began to called different Departments within TDCJ to complain.

Please check his file, my statements will proven that Jerome has been a model inmate for over a year, he was granted parole, and given an F1-6. His file should also show that I have been calling in reference to Jerome since May to express concerns about the Ferguson unit, my concerns that he had not started his program, find out where he is on the transferred list, and my eagerness to get him moved into his program. These write ups and disciplinary cases are retaliation and bogus because they only came after all my complaints, so I ask that your office please see them as such.

In my opinion, this is how TDCJ set inmates up for failure who have been granted parole by making them wait on a unit to be placed in programs that are full, where they are waitlisted and put on a transfer list. Where they can be put in situations where they lose their parole status from just sitting on a unit after they have made parole. Which was one of my multiple complaints because I wanted to know how my husband is asked to complete a program that he was NEVER sentenced to TDCJ for and why this was never on his individualized plan before, and why he cannot complete this program after his release. No one in TDCJ can answer that question. I agree inmates should participate in rehabilitation programs which my husband has done. He was given an individualized plan 6 months before his parole hearing and enrolled in the programs. However, the program being specified as a condition of his release was never listed. Jerome has no problem with completing the program required for release and was looking forward to his transfer in June to begin the 6 month program.

Ferguson unit was a temporary unit that he was transferred to in late April early May, so that is why I called making multiple complaints asking why he was being forced to participate in programs at the Ferguson Unit when this was a temporary unit. We (Jerome and I) was told, if he does not they will write him up. There is no way, this is not retaliation. Jerome is threatened in May with writes up for saying he doesn't want to do the programs when he won't be there long and I am told he has to do them or he will be written up. Jerome participates in their program after he's told they will write him up and they needed a more level headed adult in the class. Which still told Jerome no, why start a program when they know you cannot complete it when this unit is temporary. But, Jerome tells me he has no choice or they will write him a case and he wants to come home so he's going to do whatever they ask him to do to come home. However I still didn't agree that he should be forced to do any program on the Ferguson unit and be threatened with write ups if he did not comply. Once I began to complain during the month of May and again in June, Jerome is written up in June after being threatened with a write up in May. Now he's been written up twice after Bryan Collier's office contacts them again, this is blatant and obvious retaliation and bogus write ups by the Ferguson unit.

I ask that your office please, investigate and research the disciplinary practices on the Ferguson unit and towards my husband because will greatly impact him being release on parole. This is an complete injustice and I ask that your office please take my complaints and concerns serious. I am want to mention during the 20 minute wait at the gate to check in for visitation. There was 2 other family members also waiting to see their love one. They also shared similar issues and concerns with disciplinary practice including excessive bogus write up, extreme temperatures on this unit, physical and verbal abuse from officers towards inmate on the unit, the lack of running or proper running water on the unit, and visitation check in. On family member stated her husband had been transferred to the unit in February and within a month or two, she was calling the unit to voice her concerns and her love one was targeted. So I ask that you please, look into the disciplinary practices and the conditions of the Ferguson unit in Midway, Texas.

Most importantly that the Discourteous conduct of a sexual nature and the 3-way call write up be seen as retaliation by this unit due to my continuous complaints and inquiries. I asked that they be removed

from his file where they do not impact his parole decision and release date. I ask that your office please consider my request and observe the pattern of events since May when I began making complaints, as well as Jerome's behavior and attitude a year prior to being transferred to this unit. I ask that your office gives us a positive and favorable outcome, so that Jerome is released on parole this year, 2019 as approved and planned.

I would like to thank you for taking the time from your busy schedule to consider my request. I ask that please take my concerns seriously and with urgency. I ask if you can, please help in getting my husband, Jerome Sweed transferred from the Ferguson unit and transferred to the unit needed to complete his program for parole release or immediately be released on parole.
